Illinois State University

**ILLINOIS STATE
UNIVERSITY**
Illinois' first public university

November 2010

Dear Colleague:

I am pleased to present the twenty-third annual *FactBook* prepared by the Planning and Institutional Research office. The *FactBook* contains a collection of useful information designed to answer frequently asked questions about Illinois State University -- Illinois' first public university.

Much has changed since Illinois State University opened its doors to students in 1857. The University first conferred undergraduate degrees in 1860, began offering master's degree programs in 1943 and introduced doctoral work in 1962. Currently, the University offers sixty-eight undergraduate programs, forty-three master's programs, nine doctoral programs, a Specialist in School Psychology and nine graduate level certificates. In fiscal year 2010, the University conferred 5,226 degrees - 4,424 baccalaureates, 712 master's, 65 doctorates, and 25 certificates. A total of 21,134 students are enrolled this fall (On- and Off-Campus) - 86.7 percent of whom are enrolled in undergraduate programs.

While the University has undergone many changes, our core values have remained steadfast. These values - pursuit of learning and scholarship, individualized attention, public opportunity, diversity, and civic engagement - remain the foundation for everything we do. The goals articulated in the University's strategic plan, *Educating Illinois* emanate from these values, and collectively focus the institution on the actions necessary to be a first-choice public university for high-achieving, motivated students who seek individualized educational experiences combined with the resources of a large university. Data provided in the *FactBook* show that the University is attracting academically prepared students, and that our students are continuing and completing their education at historic rates.

I encourage you to use this publication to familiarize yourself with the basic facts about Illinois State University. Data are presented at the University and College level; information by department and major is available on-line at www.pir.ilstu.edu. Additional information on *Educating Illinois* is available at www.educatingillinois.ilstu.edu. If you have questions about the University or *Educating Illinois*, please contact the Planning and Institutional Research office by telephone at (309) 438-8393 or by e-mail at pir@ilstu.edu.

A new hire is defined as a staff member who was present that fall but not in the previous fall. He/she may have been hired any time between the two falls. A rehired person is counted as a new hire, if a year had elapsed between leaving and rehire. A person who changed appointment types, that was still employed by the University in a subsequent fall at a 50% or more FTE, was counted as being retained. Faculty include departmental faculty only.
