Larry Dietz serves as the 19th president of Illinois State University, a position he assumed on March 22, 2014. During his tenure the University has seen record enrollment, including increases in enrollment of students from unrepresented groups, while maintaining high academic quality. Illinois State University continues to be ranked among the top universities in the United States, recognized for its strong retention and graduation rates, and very low student loan default rate. The University has achieved record fundraising in recent years and initiated its second comprehensive campaign, Redbirds Rising: The Campaign for Illinois State University. Despite difficult economic times in Illinois, Illinois State University has remained strong and stable under President Dietz’s leadership and is making plans to reach new heights in the future.

Dietz came to Illinois State University in June 2011 as vice president for Student Affairs and tenured associate professor in the Department of Educational Administration and Foundations. Previously, he served as vice chancellor for Student Affairs at Southern Illinois University Carbondale (SIUC) for 10 years. Dietz also served as special assistant to the chancellor at SIUC and as a tenured associate professor in educational administration and higher education. Prior to his tenure there, he served as vice chancellor for Student Affairs and Enrollment Management, among other leadership positions, at the University of Missouri-Kansas City and in leadership positions at Iowa State University.

Dietz earned a Ph.D. in higher education administration and a master's degree in higher education and student personnel from Iowa State University. He has a bachelor's degree in political science from Southern Illinois University. He attended the Institute for Educational Management at Harvard University, a Fulbright International Education Seminar for Administrators in Germany and the Harvard Management Development Program.

A strong supporter of global education, Dietz has implemented plans to enhance diversity, support global learning, and create a global campus environment at Illinois State University. His international experiences include representing the American Universities Iraq Consortium on a panel with Prime Minister Al-Malaki and representing SIUC at the Iraq Education Initiative in Baghdad. In addition, he had responsibility for SIUC's campus in Japan and has negotiated agreements with institutions in China, Malaysia, Kuwait, Germany, and the Czech Republic.

She joined the University in 1986 as an Assistant Professor of family and consumer sciences, becoming a full professor in 1995. She served as the University’s Associate Provost for more than 10 years and has previously served as Interim Provost. Her roles in the College of Applied Science and Technology include interim dean, assistant dean, associate dean, and chair of the Department of Family and Consumer Sciences. Mr. Stephens earned his Master of Business Administration in Finance from the University of North Florida and his BBA degree with high honors in Accounting from Georgia Southern University. He was licensed as a CPA in 1985.

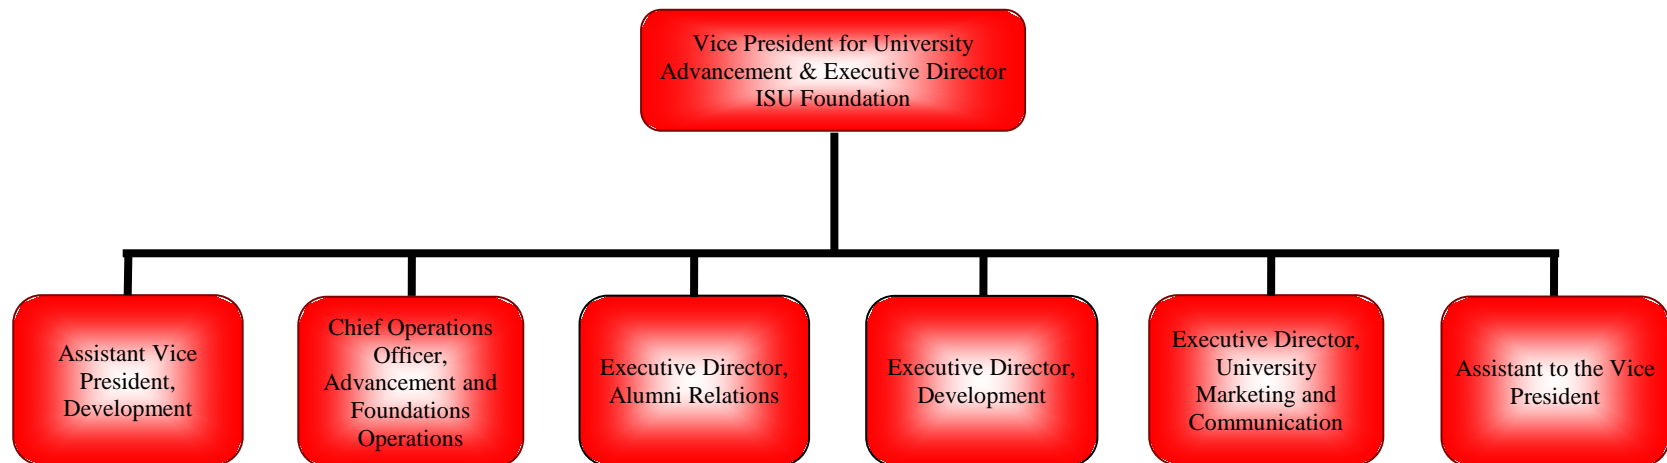

Dr. Levester Johnson became the Vice President for Student Affairs in July of 2016. Johnson has over 30 years of experience within student affairs including over 20 years at the Vice President level. He has held numerous leadership positions within professional organizations including NASPA-Student Affairs Administrators in Higher Education where he served as the first Chair of the Board of Directors and was recognized as a Pillar of the Profession. A native of Milwaukee, WI, Johnson holds a B.A. degree in broadcast communications from Marquette University, a M.S. degree in college student personnel from Southern Illinois University, and an Ed.D. degree in higher education administration from Indiana University.

Johnson has also been recognized throughout Higher Education for his innovative and effective use of social media in engaging campus communities. He is often asked to speak on the topic of social media within the U.S. and abroad.

Pat Vickerman is the Vice President for University Advancement at Illinois State University. He served as Senior Associate Vice President for University Advancement from 2013 until September 2014 when he became Interim Vice President. He was named Vice President in May 2015. Pat has more than 20 years of experience in higher education fundraising including serving as a planned giving specialist in the University of Iowa’s first \$1 billion campaign, campaign director for Iowa State University’s \$867 million campaign, and vice president for Bradley University’s \$163 million campaign. The \$150 million Redbird Rising: The Campaign for Illinois State was launched last year and is the most ambitious fundraising campaign in the University’s history. Emphasizing the importance of giving in advancing an institution’s mission and fostering a deeper level of engagement with donors have been hallmarks of Vickerman’s career. Vickerman is an active member of the Council for Support and Advancement of Education, Partnership for Philanthropic Planning, and the Chicago Council on Planned Giving. ² The six-year graduation rate is the total number of full-time, first time in college students within the given cohort who complete their degree within six years of normal time divided by the number of students in the original cohort. Thus, 69.1% of students who started in the 2012 cohort graduated through Summer 2018.

³ Hispanic students of any race are reported as Hispanic.

6 Years	5.1	4.4	4.5	3.8	3.1
More than 6 Years	2.5	3.0	2.6	2.1	2.1

⁴ Time to degree is the reverse of the graduation rate. Time to degree reflects the number of first time in college students who graduated from the University in a given fiscal year and then calculates backwards to track how many years it took each student to graduate from the first term the student began. It does NOT consider cohorts in the calculation. Thus, 72.0% of students who graduated in Fiscal Year 2018 completed their degree in 4 years or less.
